Re: In the Matter of Order for Compliance
Docket No. CWA-08-2004-0066

Dear Mr. Moreno:

On Sept. 2, 2004, the U.S. Environmental Protection Agency (EPA) issued an Order for Compliance (Docket Number CWA-08-2004-0066) to the City of Westminster. This Order required the City to submit agronomic rate calculations for all fields that biosolids were applied to in 2002, 2003 and 2004 and to submit a draft Biosolids Management Plan that included current biosolids practices and a five year biosolids operating plan.

The City has complied with all provisions of the Order. Therefore, for administrative purposes, the file on the Order (Docket Number CWA-08-2004-0066) is considered closed as of the date of this letter. If you have any questions, the most knowledgeable person on my staff regarding this letter is Aaron Urdiales, NPDES Unit, who can be reached at (303) 312-6844.

Sincerely,

Eddie A. Sierra
